Speak to your insurer to see if they offer Build Back Better.

After Build Back Better, families can return to their homes in a matter of days rather than months.

Offers up to £10,000 extra to enable the installation of Property Flood Resilience measures following a flood insurance claim.

Build Back Better gives homeowners peace of mind, knowing that next time it floods, their homes and lives will be protected.

Reduces future flood insurance claims by keeping more water out and protecting homes from the water that does get in.
